

The life of the business woman is not easy. Usually it is a monotonous routine of work, often aggravated by the ill temper or stupidity of others. And when the physical condition of the woman keeps her in constant suffering, it makes her lot a hard one.

So many women have found entire relief from the ill peculiarly feminine, by the use of Dr. Pierce's Favorite Prescription, that it seems almost criminal to neglect the opportunity of a complete cure offered by the use of this medicine.

You are invited to consult Dr. R. V. Pierce, of Buffalo, N. Y., either personally or by letter free of charge. If your case is severe or others have failed to reach it, do not hesitate to write to or go and see Dr. Pierce. Your letter will be read in private, its contents treated as a sacred confidence, and an answer promptly returned in a plain envelope bearing no printing upon it. Write without fear and without fee.

"I had been a great sufferer from female weakness for about two years," writes Mrs. Emma Richardson, of Goss, Wayne Co., Ky. "Could not do my work part of the time. I took four bottles of Dr. Pierce's Favorite Prescription and felt as well as I ever did. I have also used Doctor Pierce's Golden Medical Discovery for ulceration of the throat with good results and half of one bottle cured my throat when I could scarcely swallow."

The permanent benefit to health from the timely use of Dr. Pierce's Pellets is testified to by thousands of women. They regulate the stomach, liver and bowels. Sold by all medicine dealers.

## Feather and Wool Dusters!

There's no question about the everyday usefulness of a feather or wool duster. You can get along without one, but better with one. Save stooping, reaching and climbing, and will do some kinds of dusting better than anything else. The time was when the cost made them luxuries, our prices ought to make them necessities. After using one a while you would as soon think of getting along without a broom as a duster. Our stock of dusters was bought close and we can afford to sell them in the same way. We have Turkey, Ostrich, Peacock and Wool.

**Beware of Ointments for Catarrh that Contain Mercury**

as mercury will surely destroy the sense of smell and completely derange the whole system when entering through the mucous surfaces. Such articles should never be used except on prescription from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by E. J. Cheney & Co. Testimonials free.

## STILL AT LARGE

Are the Three Men Who Defrauded the Pioneer Junk Co.

A mistake in types in Friday morning's edition of the Leader made us say that warrants were sworn out for the arrest of David Rabinovetz.

The meaning which was intended to be conveyed was to the effect that David Rabinovetz had himself sworn out the warrant for the arrest of Samuel, Louis and Max Siler who were charged with obtaining money under false pretences.

The three brothers have not yet been apprehended as they are still in hiding in Canada, as it is supposed. Only one of the men was connected by family ties with Mr. Rabinovetz.

**Farmer Missing.**

Special to the Leader.

Blanchester, O., June 14.—John Garrison, a retired farmer, sold his farm near here and has disappeared leaving a wife and two small children. As he took the proceeds of the sale with him and other funds he had on deposit and said he was going to purchase another farm, it is feared by some that he has met with foul play. He was last seen in Cincinnati. He is about 42 years old, black hair, black eyes and mustache. Slender build.
